Re: **Warren/Toll Brothers v. New Castle County**
C.A. No. 07-725-LPS

Dear Clerk of the Court:

I am Delaware counsel for Plaintiffs Warren and Toll Brothers in this case.

On January 18, 2008, we filed Plaintiffs' First Amended Complaint. Attached thereto were two color-coded exhibits:

1. Exhibit C (color map entitled "Southern New Castle County Development Activity" and showing the proposed sewer line along the Port Penn Road); and
2. Exhibit H (color map entitled "New Castle County Southern Sewer Service Area" dated June 14, 2007 showing the Central Core Conveyance System).

It is my understanding that the electronic transmission of these documents did not allow for the color coding to be reflected on the exhibit.

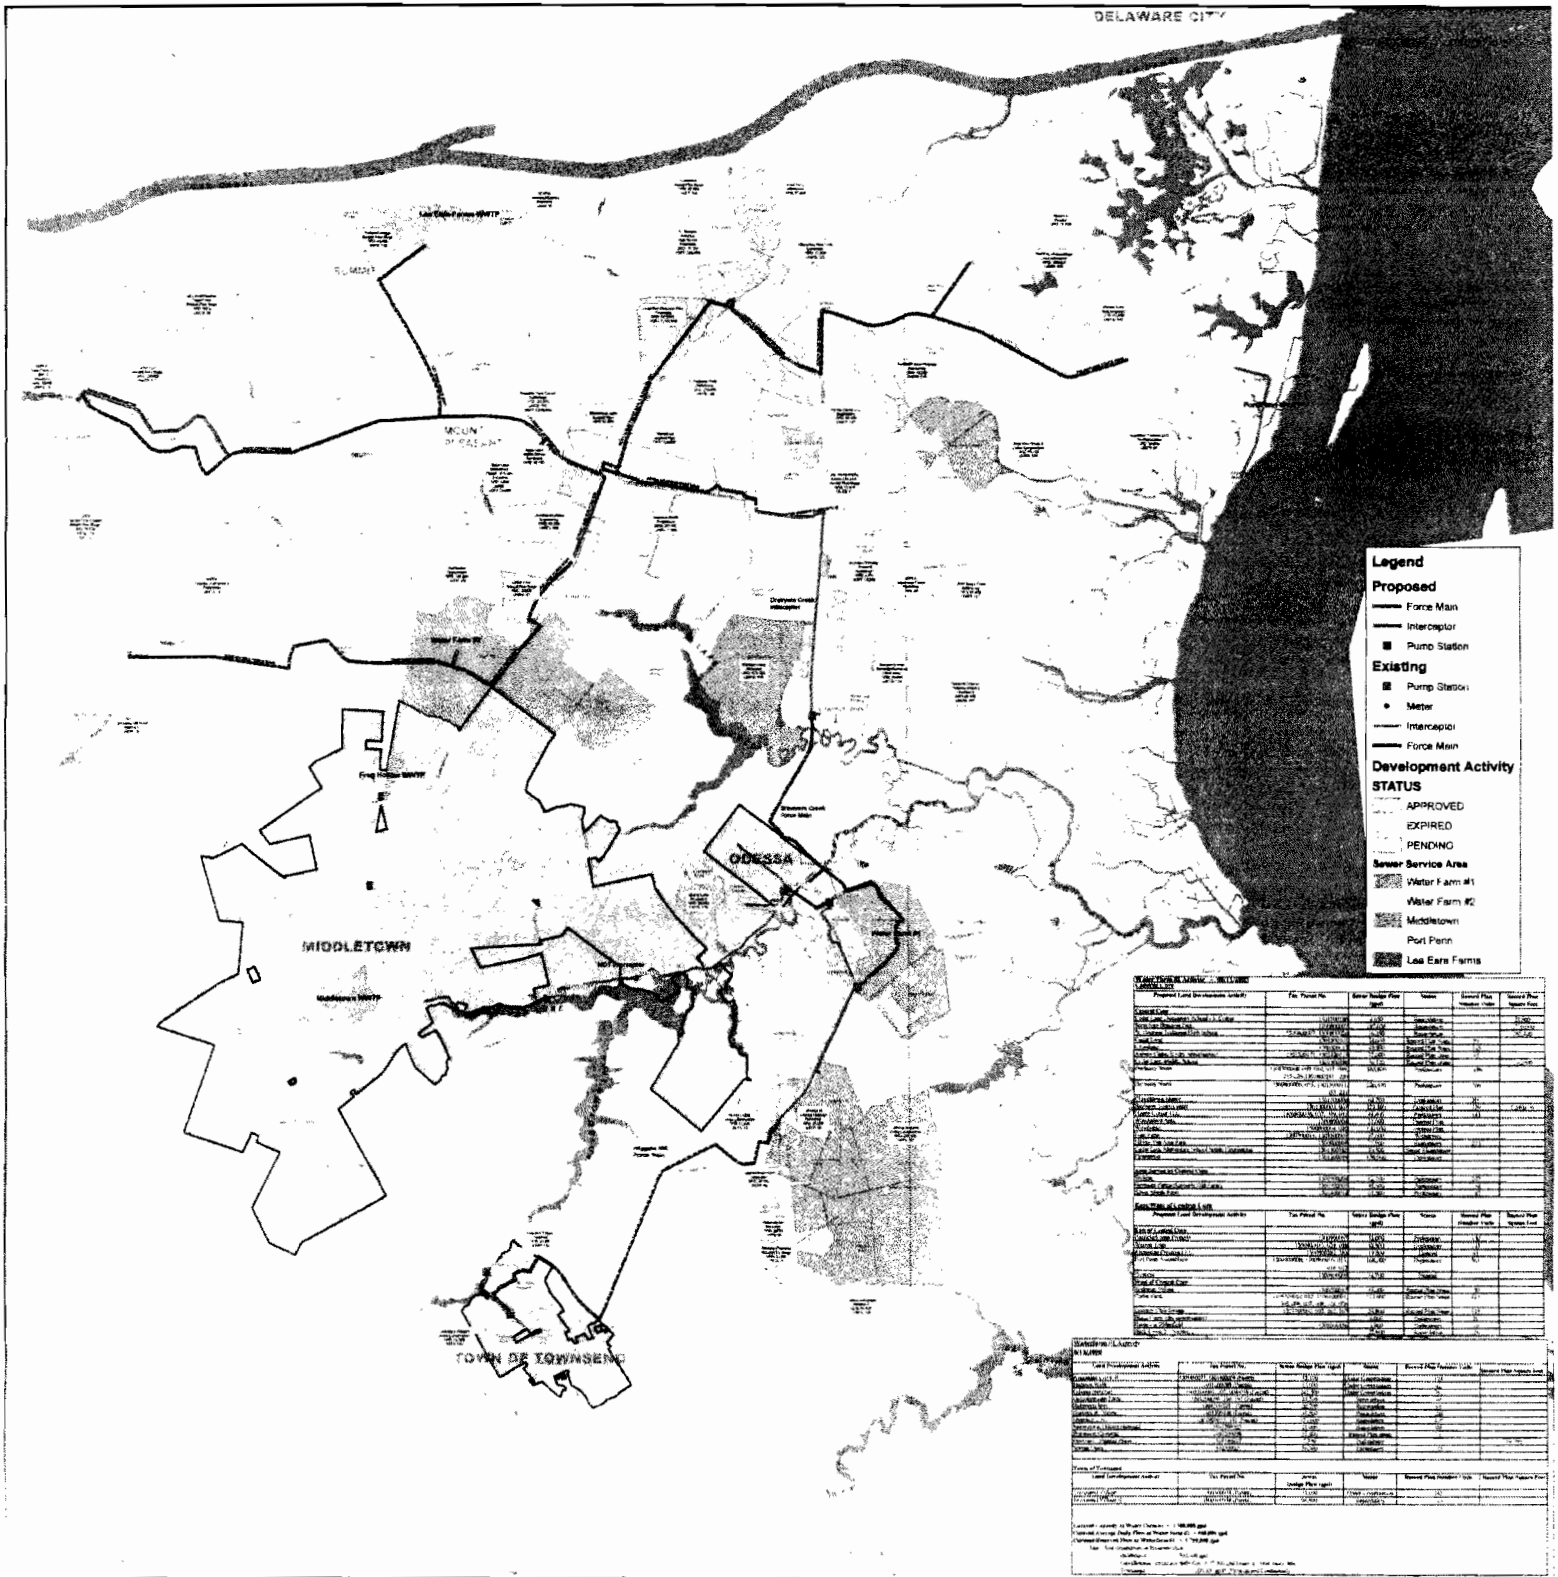

Therefore, I am enclosing color copies of Exhibits C and H and requesting that they be reflected in the Court's docket. I am also providing color exhibits to counsel for Defendant New Castle County.

Respectfully submitted,

Jeffrey M. Weiner
